Ms. Gina’s Weekly News
March 14, 2021

Dear Families,

It seems as if the year is continuing to fly by!! We are hopefully heading into spring time and with that we are going to start a new thematic unit of study: Living things. As part of this unit, we will explore plants, insects, and animals. We are going to spend some time this week learning to classify living and non-living things. We will learn that in order for something to be considered “living”; it needs food, water, and air. Living things also change, grow, and reproduce.

Have a great week!
Ms. Gina, Ms. Diana, & Ms. Michele

Some books we are reading this week:

The Important Book by Margaret Wise Brown

Living or Nonliving by Kelli L. Hicks

Living and Nonliving by Carol K. Lindeen

I Am a Living Thing by Bobby Kalman.

Living and Nonliving (My World of Science)

Important Reminders:

✓ Thurs, March 24 & Fri, March 25th will be ½ days of school for Parent Teacher Conferences Dismissal at 12pm.
No after school available on either day.
