Ms. Stephanie’s Weekly News
March 14th, 2022

Dear Families,

This week we will be starting a new unit and learning about “Living and Non Living Things”. The children will begin to learn the difference between what is considered as “living” and what is considered as “non-living”. We will make comparison charts to learn the difference between the two, learn new songs, and have some crafts planned. We can’t wait to get started!

Sincerely,
Ms. Stephanie, Ms. Desiree, & Ms. K
