Pre-K 2 Newsletter
April 11, 2022

Dear Families,

Spring is here! It is time for enjoying outside play. The weather is getting warmer, and everything is starting to turn green. We will talk about and look for the signs of spring all around us. Spring is a time of new growth and new life! The children will engage in art, math and literacy activities that celebrate spring! We hope everyone has a peaceful and safe Easter Recess!

Have a great week!
Ms. Denise, Ms. Becca & Ms. Claudia
